

Gardens at Night wish the whole team the VERY best in their quest at Chelsea next month.

Gardens at Night are very proud to be part of the team going to Chelsea at the end of this week to construct the Fleming's and Trailfinders **Australian Garden**. This Team has been hand selected by Wes Fleming and we know they are the best of the best. The display has been 12 months in the making and we are confident that all the preparation has been thorough.

The designer – Mark Browning of Cycas Landscape Designs, the construction being handled by both Kiama Landscapes and Paving (Steve Lloyd and Tim Sprague) and TLC (Scott Wynd) will be terrific ambassadors for our industry. The full team is above.

Paul, Wes, Mark, Tim, Blair and Steve ready to go.

Over the next three weeks the display will be constructed, judged and then enjoyed by thousands of people. We urge you to bookmark the official website - <http://www.flemings.com.au/chelsea2007> - and regularly follow their progress.
